## CASEMENT & TILT TURN WINDOWS

In choosing the right windows for your home you may be seeking windows to complement your particular property and style.

Whether your home is traditional or contemporary, KAT offers a range of windows to match your precise requirements.

Windows today are nothing like previous generations. With sophisticated security systems, clean lines, impressive U-values and bespoke designs available, you can enjoy the slim sightlines and high quality products for years to come.

All KAT windows meet or exceed the current standards set down by professional organisations and testing institutes for weather performance and high security.

Windows are available in a variety of materials and colours, with all windows made to your bespoke opening requirements. Even if you are replacing old steel Crittall windows, there is a range of products that can match the aesthetics of steel windows that are so important to Art Deco and other types of homes.

## KNIGHTSBRIDGE PVC FLUSH CASEMENT WINDOWS

Every **Knightsbridge PVC Window** is hand finished and has all the visual attributes of traditional joinery, but with high levels of security and energy efficiency. They are a credible alternative to wooden flush casement windows with the advantage of being almost maintenance free. The aesthetics of your window can be enhanced by adding Georgian bars to complement the architectural style of your property.

### Window colour options

Flush timber casement windows have been around since the 19th century.

### Key features

- Authentic flush finish both internally and externally
- 75mm deep frame which fixes to the wall of your property
- Enhanced thermal performance to keep your home warm
- High performance double glazing achieving a 1.3 U-value
- 5 colours available from stock, including dual colours
- Dummy sashes always located in fixed lights
- Black softline seal on the outside
- 10-year guarantee.

### Options

- Internal or external authentic Georgian bars, available in a traditional Georgian layout or with single vertical and horizontal bars
- Bay windows can be made to suit your home
- Trickle ventilation fitted into the window frame.

### Handle options

Each casement window is made to bespoke dimensions to suit your project.
